

Doctoral Courses for Desertification

Course	Credit
Assessment of Combat Desertification Planning	2
Land Degradation	2
Restoration Ecology	2
Quantitative Geomorphology and Numerical Analysis of Desert Faces	2
Industrial and Mineral Development Effects on Arid Land and Desert Area	2
Early Warning Systems and Risk Analysis in Desert	2
Climate Change and Drought Management	2
Utilization of Unconventional Water	2
Agriculture, Desertification and Combating Desertification	2
Comprehensive Exam	18
Ph.D. Thesis
